We have three Aslatic subscribers here, and the Orientals in Chiapas are Margaret Higerford stood under the beginning to read the papers, so we have shadow of a fallery in St. Matthew's hopes of a growth of circulation. There church and wiched the man to whom is bound to be a Mormon colony in this she had been agaged six months before state, and they may be sympathizers with polygamous Asia. Editors have their mental trials, and they are sharp and come quick and hard. Give us time; we never yet made a blunder.-Tabasco

### \$10,000,000 BUBBLE COMPANY.

Rev. Prescott F. Jernegan, who has a device to extract gold from salt, and who outsider, and atched the thing from its formed the "Electrolytic Jarine Salts very beginnin-watched it with a slow Company," capitalized with 19,000,000 eath within erself which was as the shares of \$1 each, of which \$500,000 was actually paid in, has been located after five years. He teaches a normal school

> Jernegan was the principal in one of the most remarkable swindles known in

In 1896, Mr. Jernegan, who was a Bapber a womarof clear vision, with no tist clergyman, made known to his friends vestige of theinconsequent glamour of that he had, while in Florida, had rescaled to him through a dream, a process

nonneement as absurd. Up to that time life was yet ir own. The bitterness she the ordinary run of people did not know had felt washere for the rude tearing what had long been a matter of knowltained small quantities of gold and silver 'Now," should, and threw back her and many other minerals. The amount strong shoulds while she descended the of gold in one ton of sea water is about church stepsis though she would thus one grain, not enough under any process

Mr. Jernegan took his vision very seri-And work was for three years as ously. He declared that all he wanted day by day, ther nurse's dress, she trod was a fair trial. He set about and perthe ward of pospital. It was also what feeted his apparatus for extracting gold, on careful gardener is to a and in the course of time it was ready for
